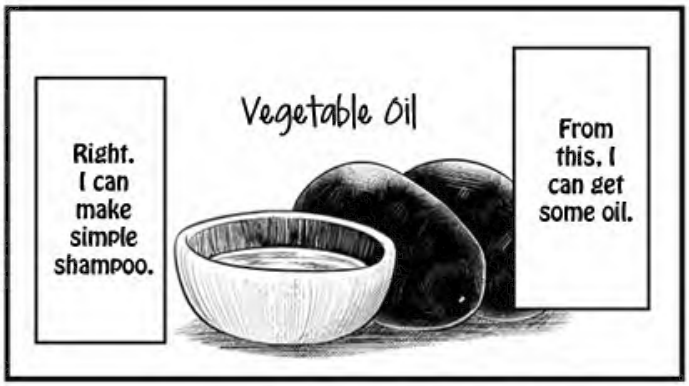
Chapter 3 Lifestyle Improvement

If there aren't any books, I can make one myself.
...Is what I said,
But where would they sell paper here?
She fell asleep again after that.
Hmm...
So I'm sure they sell white paper in bulk somewhere...
The old man from the general store said, "You have to transcribe the book yourself."
I'm back.
Ahh, it's no good.
I have too few of Main's memories to help me.
I wonder if there's a special store that just sells paper.
I doubt they have anything useful at a regular store.

Welcome back, Turi.
Geez!
Ah, Maïn, you have to rest.
My fever's down now, I'm okay.
What did you pick? Show me, show me!
You want a merrill? You can have a couple.
Thanks, Turi!
This!
Let me have this.
It seems they call this avoca-do-like fruit "merrill".

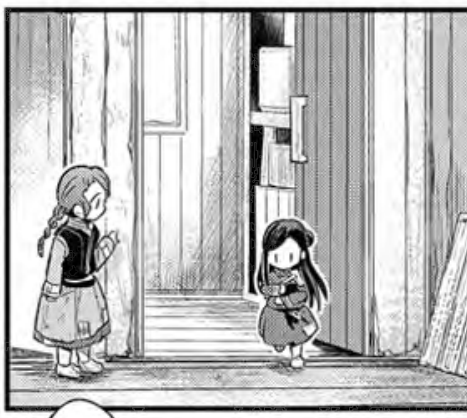
Please become a nice shampoo!
?



Right. I can make simple shampoo.
Vegetable Oil
From this, I can get some oil.

My hair feels gross.
I don't know if it'll work as well as avocados though...

What are you ...



Main?

Ugh.

Ah...

Sorry, Turi...
Your smile is scaring me...
Well, I wanted some oil...
U- Umm.
... Hey, Main, what are you doing?

I-I see...
IF YOU WANTED SOME OIL, THAT'S NOT THE WAY TO GET IT!
WHAT ARE YOU DOING?!
Didn't we extract weiss oil together last time?
You wipe yourself off too, Main!
Mom's going to get mad with a mess like—
Wah
You're making a mess again—!!

Turi.
Turi.
How do you extract oil? Teach me.
Mom, is it okay if I teach Maïn?
Ah!
Haa...
.....
Yay
Well, it looks like there will be trouble if we don't teach her.
But, be careful.
You have to place this metal board on it first.
Wooden boards soak up oil and juice, so you can't use the table as is.
Okay
Okay

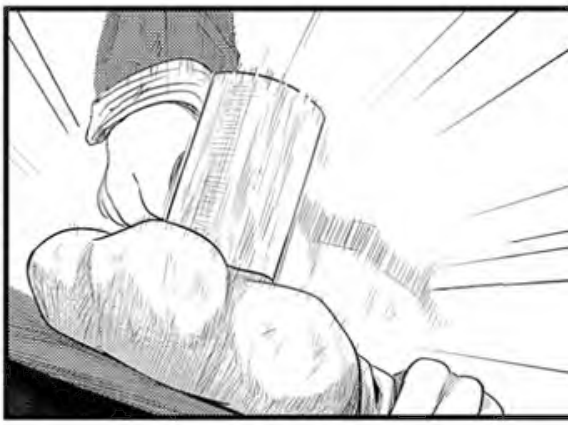
Well, two should be enough.
I wanted to extract the oil from the flesh, too.
But I don't know if I'll get enough oil with just the seed.

You can eat the flesh of merrill. After you eat it, you wring out the seed.
I'll show you how to wring it after you take the seed out.

First, spread a cloth.
Then, make sure to wrap the fruit in it. Otherwise, it'll fly everywhere.

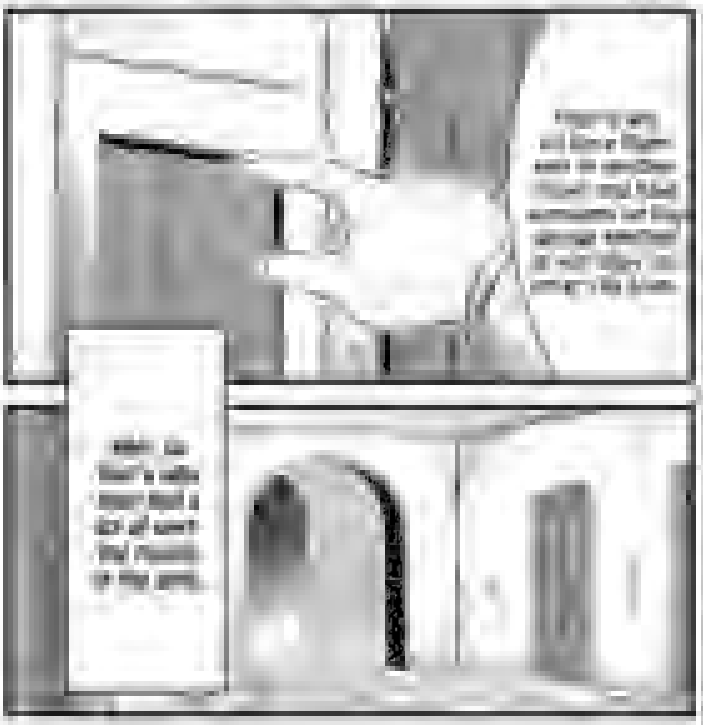
Is this good?

Ohh, it broke apart.
I might be more amazing than I thought.



You have to crush all of it, including the seed.
Main, that's no good.
You didn't crush it at all.
Ugh...
Turi~...
You're so hopeless.
Give it here.

YOU FORGOT THIS!
Ah—!
Yeah.



OTTO, GIVE ME YOUR REPORT.
Dad looks pretty cool when he's not joking around.
Ohh, is that the salute in this world?

Count Rheinwalt wishes for us to open the gate.
And the seal?
We've finished checking it.

All right, let him through.

Isn't dad cool when he's serious?
Yeah.
